Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Ms. Pillote called to discuss the prior office action because she believed that many claims were not rejected with prior art (e.g. 1, 2, 11-15, and 27-29). Examiner Alstrum-Acevedo clarified that all the claims were rejected with prior art, and agreed that the presentation of the rejected claims in the office action mailed July 24, 2006 was confusing. To clarify the record, the Examiner agreed to vacate the previous office action, send a supplemental office action clarifying which claims were rejected by art, and to reset the time for reply to begin from the mailing of the supplemental office action.
